January 11, 2008

PRINCIPAL'S BRIEF

Dear Parents,

I hope you all enjoyed a happy holiday season and it looks like 2008 has arrived. I have been pleased to see all of the students back happy and healthy. We are coming up on the end of the second quarter so please encourage your students to do their very best as we get close to report card time. Teachers will use both first and second quarter grades to determine the semester grades. However, second quarter grades will be used to determine honor roll.

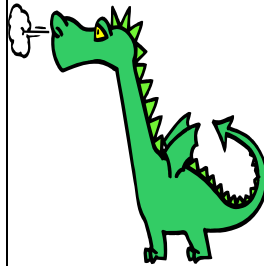

We are looking forward to our next Star Assembly for the elementary school on 24 January at 1400. Please continue to show and support our students who have been working so hard to achieve excellence.

I am asking middle school parents to please continue to review the Tiger Book, and write a note, call or email teachers if you have a specific question. Teachers are often willing to stay late or come early if students need additional help. Please encourage your student to work very hard these last thirteen days so that we can celebrate many successes at our next Awards Assembly.

Up Coming Events

Jan 18-No School K/SS/PCSD
Jan 21-MLK Day No School
Jan 24-Star Assembly 1400
End of 2nd Quarter
Jan 25-Teacher Workday No School

School Telephone Number 06151-9516410 School Bus Office 0162-271-1784

Principal's Club Members

Each week teachers have the opportunity to submit student work to the office for review and for posting on the Principal's Club Honor Wall. Come by the front hallway and see the posted work. Remember those students will also be honored at the next Star Assembly.

School Bus Smarts

Twenty-five million students ride on school buses. If you're a school bus rider, follow these safety tips—they can help prevent injury.

- Line up facing the school bus door—not along the side of the school bus.
- Don't play in the street while waiting for the school bus.
- Carry on your belongings in a backpack or book bag.
- Never reach under a school bus to get anything that has rolled or fallen underneath.
- After getting off the school bus, move immediately onto the sidewalk, out of traffic.
- Wait for a signal from the bus driver before you cross the street. Walk at least 10 steps away from the front of the bus so that the bus driver can see you.
- Never cross the street behind the school bus.

Magic Show at Darmstadt

The magician and his magic rings thrill the audience

Card tricks anyone?

The crowd is totally engaged

Some students can't believe their eyes

What is a magician without the old standard rope tricks?

"Unbelievable! How did he do that?", thinks this student.

Middle School Life

Students engaged in an ancient building reconstruction

And their creation looks just like the original

The game project is being field tested

Another sugar cube structure

Reward day student celebrates

Student Council prepares for a school dance
